When you exchange your currency to buy any other

Currency, such as Dollar, Euro, Pounds. **That is called Forex Exchange.** Just starting out? Begin your trading education with our Foundational Trading Knowledge course. Learn about a variety of markets like foreign exchange, commodities and equities and how they operate. Discover the right trading style for you and get to grips with key trading processes and market psychology.

What is Forex Currency Trader?

Forex traders (foreign exchange traders) anticipate changes in currency prices and take trading positions in currency pairs on the foreign exchange market to profit from a change in currency demand. They can execute trades for financial institutions, on behalf of clients, or as individual investors. To make profitable trades, forex traders need to be comfortable with massive amounts of data and rely on a mixture of quantitative and qualitative analysis to predict currency price movements.

Smart Trading

Know your pip value and margin requirement at a glance and set orders based on P&L, price or pips.

Get actionable trade opportunities and

identified patterns from our Trading

Central research portal.
